### PRESIDENT'S MESSAGE

Well, here we are at the end of this club year. We had some mighty interesting presentations and three successful competitions; in brief a very successful year. I wish to thank all speakers and judges, as well as all the club members who sacrificed their free time to make this possible.

The new team, shown on page 2, was announced in the May Newsletter, and accepted by general vote during the May 14<sup>th</sup> meeting. They are ready to start working for the coming year. There still remain three vacancies to be filled, and anyone wishing to take on one of these challenges can contact me or the new President, Bill Prosser.

The June presentation by Esta Gladstone will be the last activity for this year. No more workshops or fieldtrips. However the summer is an ideal season for fieldtrips. So anyone who wishes to organize a trip, please contact me with the particularities, and I will send an E-mail message to all members to encourage them to join you on your trip. Time, health and weather permitting I will be sure to participate.

Otherwise, I hope to see you all on September 10<sup>th</sup> at the first meeting of the new club year.

*Johan*
